County Grand Jury Issues Yearly Report

Year's work of the county grand jury was completed yesterday and with the filing of its full report that body received the discharge from Judge Rex B. Goodcell, with the court's appreciation of its work.

Here are the important features of the report:

Recommended in resolution form that "care be exercised in the expenditure of funds of the county for farm bureau work." In view of the fact that farmers may secure competent advice from various agricultural departments of public schools.

"While we feel that there is a great future in the work of the Farm Bureau, and that they will be able to help the farmer in many ways, only criticism would be that great care will have to be taken in the sparsely settled districts of the county where there might be a question as to its adaptability to farming, or a greater expense will be incurred than it will justify the county to spend," says the report.

File Speeding Charges
Recommended that traffic officers be compelled to file speeding charges in the courts of the township in which the offenses are committed, instead of requiring offenders to appear in courts which may be distant from their homes.

Urged that the supervisors build a bridge instead of a dip across the east fork of Lytle Creek, where the old bridge is soon to be removed, and a dip and culvert constructed. The supervisors recently outlined to the Rialto Chamber of Commerce, which protested the dip arrangement, that the county has no funds for a new bridge and the old structure is dangerous.

Recommended that county road employees work eight hours a day, and that the county should not be held responsible for the work of its employees.

Urged that the county should be held responsible for the work of its employees.

Requested a survey of all county departments to determine whether it is possible to reduce the number of employees.

Asked the county's representatives in the legislature to seek amendment to the game laws to provide for the opening of the rabbit, quail and dove seasons at the same time, as one means of reducing the amount of game killed out of season.

The members of the grand jury include: H. H. Thomas of Cucamonga, foreman; F. L. Holcomb of Highland, secretary; W. S. Rogers, George N. Haven, Thomas Wilson, K. C. Harrison, John Andrews, of San Bernardino; J. J. Atwood, J. S. Armstrong, W. A. Freeman, J. D. Merryweather of Ontario; W. T. Bill, Jesse Simpson of Redlands; Frank L. Cram, G. T. Henslee of Highland; O. G. Crawford of Colton; Erwin A. Bemis of following is the complete report:

San Bernardino, California, December 21, 1921.

To the Honorable Rex B. Goodcell and J. W. Curtis, Judges of the Superior Court, County of San Bernardino, State of California, San Bernardino, California.

Gentlemen: We, the Grand Jury, empaneled by you on December 20, 1920, respectfully submit the following report:

We met and organized on the 20th day of December, 1920, adjourned from time to time and have been in session a total of twelve days.

We have investigated all criminal cases reported to us by the district attorney and returned two indictments.

We visited the county jail, detention home, county hospital, prison camp and California State Hospital.

County Jail
The county jail is kept in good order and we especially commend the neat appearance of the matron's or woman's department, where everything was especially neat and clean.

We found the boys' department in rather bad condition; only one hammock was in use where frequently several are needed and the boys are compelled to sleep on a thin mattress on the hard floor.

Prison Camp
We visited this camp and found it kept in good condition. At the time of our visit, it was located at the Clark Grade on the Mill Creek road but has since been moved. The prisoners seemed well satisfied and from reports of officers in charge, are doing good work. We had lunch at the camp and believe, they have plenty of good and wholesome food.

California State Hospital
This institution is kept in first class condition. We especially commend the mechanical department, where the inmates make all their clothing, shoes, rugs, carpets and numerous things, in addition to the toy department, where various toys are made and sold by the inmates for the proceeds from which go to the entertainment fund.

The farm, dairy, poultry and pigery are all kept in a neat and sanitary condition.

We especially commend Dr. J. A. Reilly, the superintendent of this institution.

Mountain Road From Redlands to Big Bear
We, in company with the county highway commissioner, county surveyor and supervisors, inspected the mountain road from Redlands to Big Bear Lake and returned by way of Victorville.

The new Mill Creek mountain road into Big Bear Valley, we would recommend to the Board of Supervisors that at several places there are dangerous sharp curves and that a strong railing be constructed for the protection of the public in the use of this mountain road. Also, that the

grade be widened at the several points of the sharp curves.

County Officers
We have employed no accountant to inspect the books of the county officers, for the reason that the Board of Supervisors have certified accountant employed and we believe his report to be correct.

We had, however, two committees appointed who made a careful examination of the various county offices and report as follows:

County Clerk
We find this office in excellent condition. The records are neatly and properly kept and all fees accounted for. We believe this office is economically conducted.

County Recorder
We find this office in good condition. The records are neatly and properly kept and all fees accounted for. We believe this office is economically conducted.

County Assessor
This office is well conducted and we especially commend the plot system of all real property from the records.

County Sheriff
This office is well conducted and the books are kept in good condition.

County Coroner and Public Administrator
These offices are well conducted under J. B. Hanna.

FILE SUIT AGAINST OPENING 2ND AVE.

Alleging that the assessment is illegal and that the proceedings are in error, W. A. Strong and W. B. Evans filed suit against the city of Upland yesterday in order to stop the opening of Second avenue which passes through their property, as well as to prevent their property being assessed. They ask for an injunction. W. A. Strong and his sister Mrs. Evans are owners of the property through which Second avenue opening will pass. When the opening of Second avenue was up for discussion several years ago, Mr. Strong and Mrs. Evans objected and the plan was dropped until a more opportune time.

From the start of the proceedings opening the street they have objected and have put forth every effort to block the opening of the street. City Attorney Ralph Swing is ready for the court battle and believes the opening will proceed with very little delay.

William Hart married the first part of this month. His wife must call him "Bill."

TOM MIX PICTURE AT THE COLONIAL

Those who saw Tom Mix in "The Untamed" will undoubtedly want to see this cowboy star in his latest "The Night Horsemen" which comes tonight and tomorrow night at the Colonial theatre.

Not only does Mix do more of his daring riding with his wonderful black horse, but he lives through an intensely dramatic story, and is as entertaining as ever. Supporting him are May Hopkins, Harry Lonsdale, Bert Sprout, Joseph Bennett, and Charles K. French.

"Say it with flowers" is the title of the snappy comedy shown with the above.

Sunday, Monday and Tuesday comes a picture that will be enthusiastically received by theatre goers here. "Bits of Life" will be played three nights with a Larry Semon comedy that is a scream.

NEWS NOTES AT THE COUNTY SEAT

The inclement weather did not seem to dampen the enthusiasm of some of those connected with the Farm Bureau. A directors' meeting was called for Tuesday afternoon, but owing to the weather a quorum was not present and the discussions were informal.

The president of the Farm Bureau was present and told of his attendance at the Riverside meeting of the League of the Southwest and the government hearing on the Boulder Dam project held in San Diego.

A committee was appointed, consisting of B. W. Shaper, Wm. Taylor and F. B. Rowe. This committee will nominate the officers for the coming year.

The Farm Bureau is about to launch a big drive for membership and the following men were appointed as a committee to have charge of the drive: J. H. Strait of Redlands, R. C. Price of Upland, B. M. Loderer of Chino, C. F. Lewis of Victorville, and E. H. Rowe of Grand Terrace.

The Citrus Fruit Committee of the Farm Bureau met in the morning. Owing to the rain the attendance was very poor, only two of the committee being present. However, this did not prevent a discussion of the work of the citrus department for the coming year.

The discussions were based primarily on the results of field demonstrations, the various phases of soils and their management. The control of soil moisture by the means of cover crops, stable manure and other sources of supply according to local conditions. Consideration was also given to the use of lime and commercial fertilizers.

While the subjects of spraying and fumigation were also considered, the principal subject was soil management.

Mr. Klipf, executive secretary of the Farm Bureau, is very busy engaged in the promotion of cooperative pure bred livestock buying among the farmers of the county. He and B. W. Shaper attended a meeting of interested farmers yesterday at Chaffey Union High School. At this meeting the progress of the movement was explained and the gathering of orders to make up the carload shipments that will mean so great a saving to the rancher who wants pure bred stock. Prices of purebred stock bought singly have been quoted around \$250 and it has been stated that well bred, pedigreed stock of the kind the farmer and dairyman wants can be purchased cooperatively for \$125. If the farmer would pay the larger price and put the balance in the Farm Bureau for propaganda and other improvements, what a power he would become. As it is, he is just beginning to recognize the power of the organization as a weapon for advancement. It means that he has through the organization, increased the value of his dollar many fold. This means there is less left for the parasite that would feed on the farmer. Through his organization he is doing for himself those things that before was handled by an outsider who always made a profit.

OUR APPRECIATION
I am sure I voice the sentiment of each and every member of the Community Chorus when I say we appreciate very greatly and commend very highly the work of Prof. S. Earle Blakeslee as Director of the Chorus in the late rendition of the Oratorio "The Messiah."

Very few people realize just what it means to direct and tutor a large chorus of amateur singers and bring it to a point where it will be received favorably by the public—to say the least it takes much patience and, of course much skill.

The object of this statement, however, is to make a public expression of the great sense of appreciation—coming from each member of the Chorus to our Director for the kindness and patience he has manifested in our behalf and for the great good we have derived as a result of his leadership.

GRAND OPERA COMPANY
AT EUCLID THEATRE
The management of the Euclid theatre, Ontario, announces the engagement of the leading stars of the Sonora Grand Opera Company for two days commencing today.

Singers of the first magnitude, comprising the most prominent artists of the Sonora Grand Opera Company have been secured by the management, who will each day present a program of grand opera gems and popular selections in costume, in addition to the regular feature picture program.

The Sonora Company, after a two weeks' tour of the United States and Canada, closed its regular season in Shreveport, La., and during the time of reorganization of the company for the regular season, the "Grand" stars of the company are appearing in various cities, as a sort of between seasons tour.

Musical critics universally who have had the opportunity of hearing this organization, have accorded them the highest honors and from the reports which precede these singers, it would seem that an unusual treat is in store for Euclid theatre patrons.

The artists are Beatrice Pizzorni, dramatic soprano, Speria Castel, contralto, Eduardo Lejarazu, baritone, Cayetano Ordena, tenor, and I. Del Castillo, noted conductor, at the piano.

These people are of the first cycle, musically speaking, and music lovers will probably never have the opportunity of hearing them again at popular prices, as they soon join the Sonora Grand Opera Company for their regular eastern tour.

Upland's famous town clock has come to a stop and is causing many a woman to miss an appointment and many a man to fail to appear when lunch is ready with most serious results.

With the remodeling and enlarging of the commercial National Bank, the clock came to a halt at about 11 o'clock and faith in that clock

LAST HIGHWAY BRIDGE GOES OUT

After withstanding the hammering of the waters of the San Gabriel river for many hours, the last link in the highway to Los Angeles, the bridge between Monrovia and Azusa, gave up the ghost Wednesday, and this section of Southern California was marooned as far as highway traffic was concerned.

The lower highway went out early in the storm and for a time it was impossible to go from Ontario to Pomona owing to the volume of water that San Antonio Canyon was sending through the Pomona territory.

Remarkable though it may seem, the Pacific Electric has been able to maintain service, while the steam roads were out a portion of the time, while the Santa Fe line through here is out indefinitely because of the loss of a new bridge over the San Gabriel west of Azusa.

San Antonio Canyon carried the biggest stream of water since 1916 and food is being packed in to those marooned at Camp Baldy and at the Edison Power Company plant. The damage to the road and bridges is extensive and it will be several days following the cessation of rain before the road to Camp Baldy will again be open.

O. Newton and Ralph Longman, employees of the Southern California Edison Company, had a thrilling experience last Tuesday and Wednesday in San Antonio Canyon which will make Christmas, 1921, a long to be remembered one.

They came to Upland for supplies for the power house in the canyon, and had to make the trip on foot as the heavy rain of the two previous days had washed out the road, and no cars could travel over it. The trail winding here and there was the only way and they arrived in Upland safely. On their return darkness overtook them and they lost the trail. They were loaded with supplies, the rain poured in torrents, and they were unable to find the path to continue their journey up the canyon to the power house.

B. F. Campbell, head electrician, waiting for the men to return, finally became anxious and sent two men, Gene Waycott and W. Kaufman, to search for them. After much endeavor and hunting along the trails the searchers found Newton and Longman under a bush exhausted and played out, and mightily glad to hear voices.

The party of four started back to the power house, proceeding easily until they reached the raging stream. It was impossible to find a crossing anywhere, and after consultation they decided discretion was the better part of valor, and that it was more sensible to stay where they were and wait for daylight. So they found shelter under a tree and stayed until the night wore away and in the gray, wet dawn the four weary men trailed back to the power house, glad to get into dry clothes and be warm once again.

Much appreciation is expressed by Messrs. Newton and Longman for the fearlessness and courage of Mr. Waycott and Mr. Kaufman in starting out to hunt for two men lost "somewhere between Upland and Camp Baldy," with the roads washed out, raging streams to wade, trails almost washed away, a heavy rain pouring down, and no light but a flickering lantern.

Upland has been much more fortunate than many cities for there has been very little washing of citrus groves and the streets, culverts and bridges have not been damaged to any serious extent. Even Cucamonga escaped with much lighter damage than is usual during a heavy downpour, for the new road work built there the past few months stood every test and carried the water to the lower level in fine shape.

The worst damage reported in this section is at Lytle Creek and Glenn Ranch according to a report reaching here today. Monday night conditions at Glenn Ranch grew serious when a heavy wind struck that section of Lytle Creek along with a vast amount of rain.

According to a report here, hundreds of trees were uprooted, raising many of the summer houses along the upper stream from their foundations. In some instances the cabins were washed away in the flood waters.

At Glenn Ranch a large number of the trees were blown over and crashed into the Glenn Ranch buildings, breaking in the roofs and causing a vast amount of damage. The road of Lytle Creek was practically washed away and the rebuilding of the road will be a big undertaking.

Several motor parties went to Glenn Ranch Saturday to spend the weekend and when they will get their cars out of the canyon is hard to prophesy. One man decided that he would make an effort to get up and in order to get to San Bernardino found it necessary to go from Glenn Ranch into Cajon Pass in order to get out of the canyon. Mr. Tally, who purchased Glenn Ranch last summer is at the ranch and as food is running short it is to be packed in to supply those marooned. rain(Tal emfwepetaibghaj

LOVE

A MOTHER'S CHRISTMAS STORY

By Kathleen MacFarland

Tell you again, my little son, the lovely Christmas story?
The truest, sweetest story any mother ever told—
The singing of the angels, the wondrous light of glory,
The lambs all safely gathered in the shelter of the fold.

The silent silver water brooks thru fertile pastures flowing—
The sheepfolds in the valley, and the city on the hill.
Asleep! Ah, little Bethlehem, thick veils of darkness throwing
Their fetters o'er your slumbering that midnight calm and still.

Star-jeweled skies unfolded all the radiance of their splendor—
Above the sleeping city hung the moon's pale crescent clear,
While e'er their flocks the patient shepherds watched—
How true and tender, the wakeful, prayerful vigil of the gentle shepherds, dear.

When lo! a wondrous light appeared, the glory of its brightness—
Shone round about the shepherds as they shrank with fear, dismayed.
Behold! a herald angel robed in purity whose whiteness
Spread guardian wings above them, as he spoke: "Be Not Afraid."

"For behold, I bring you good tidings of great joy, which shall be to all the people,
For unto you is born this day in the City of David a Saviour, which is Christ the Lord."—Luke.

Hark! Hark! the joyful song—the heavenly host of angels singing.

As o'er the sweet harp-strings of Love its echo comes again—
We listen, dear, tonight to hear the Christmas message ringing:

Back thru the years: "Glory to God—Peace and Good-will toward men."

The "Prince of Peace," The "King of Kings,"
No joyous bells were pealing
To welcome Him that holy night. His cradle was a stall.

The virgin-mother at His side—the lowly shepherds kneeling,
Offered the one great gift he craved, 'twas love—for love is all.

His crown was love—His sceptre love. His joy the love supernatural,
That flows in living streams within the all-encompassing Arm.

He knew no power save LOVE alone—the Father's love eternal.
The sick He healed, the dead He raised, He stilled the raging storm.

He loved the little children, dear. He tenderly caressed them.
He taught that childlike holiness His heavenly kingdom won.

The contrite sinners he forgave—His deep compassion blessed them.
His thoughts were love—His deeds were love—His life was love, my son.

He marked the Way. Oh, wreath His steps with fresh and fragrant flowers,
Of patience, meekness, gentleness, obedience, love for all.

And if a passing shadow drops across the golden hours—
We know without the Father's care a sparrow doth not fall.

"A Merry Christmas," little son. Our Shepherd's Hand doth hold you—
Your mother prays, may Truth's pure rays fill all your days with Light.

In pastures green, by waters still, white wings of Peace enfold you,
Hark! hear the sweet bells chiming. "Merry Christmas," and good-night.

Proof positive that the action of Dr. S. P. S. Edwards, city health officer, in condemning quantities of celery sold to Ontario growers by Japanese gardeners recently, on the ground that it was covered with poisonous substance, saved many Ontarians from serious illness and possible death, came to light yesterday when it was learned that several valuable hogs belonging to P. A. Robb, well-known rancher at 218 West Grove street, had died from eating the vegetable. Mr. Robb had been informed that the celery had been condemned for eating, but going on the theory that an animal would eat nothing that was bad for it, he took a chance. Several of the rancher's hogs became ill very shortly and yesterday the herd had been reduced from 20 to 11 animals. Mr. Robb's loss is already about \$200 and more of the pigs are seriously ill.

Ontario was assured another factory yesterday when C. P. Zoerb, who has been busy with preliminary negotiations here for the past several weeks, left for Stockton to make arrangements for the shipment of machinery for the operation here of a plant for the manufacture of office leather novelties and banking supplies. Mr. Zoerb is reported to have secured temporary quarters in the west end of the old State Bank building in West Main street and expects to commence operations shortly after the first of the year with a force of about twenty men and women. He is said to have orders already on file for some \$18,000 worth of goods.

Despite a continual downpour of rain, Ontario electors waded to the polls Tuesday to authorize the issuance of bonds in the amount of \$120,000 to relieve the present crowded conditions in the city schools by a vote of 473 to 29. The bonds will go chiefly for the erection of an intermediate school which is to occupy a site between J and Fourth streets west of Euclid avenue. This building will house all the pupils of the seventh and eighth grades in the city and will thus relieve congestion in the other grammar school buildings. Considerable credit for the success of the election is due J. S. Ingalls, chairman of the bond campaign, and his assistants, who had it well organized. Mrs. Geoffrey J. Fleming, president of the Current Events Club, and her assistants did notably good work. It had been expected to get out a vote of 1200, but considering the inclement weather, the vote cast was considered good.

Mrs. G. L. Taggart will serve the Woman's Auxiliary of Ontario Post-American Legion, as president during the coming year, it was announced yesterday, following the annual

election held at the Current Events Club. Other officers chosen for the year were Mrs. Harley Brewer, vice-president; Miss Elinor Thayer, treasurer; Mrs. May Hart Smith, secretary, and Mrs. Ralph M. Myers and Mrs. Ray R. Delhauer, members of executive committee.

All former records at the Ontario postoffice were smashed Monday, according to announcement of Postmaster John Mitchell, when 12,700 pieces of mail passed through the cancellation machine, not to mention hundreds upon hundreds of packages which were cancelled by hand. The record is the more remarkable when it is taken into consideration that there was a continual downpour of rain. More than 14,000 pieces passed through the cancellation machine on Tuesday.

Listed as runaways at Juvenile Hall, Los Angeles, Mary Burgoyne, age 19, who first gave her name as Mrs. Mary McWhorter, and Max McWhorter, age 18, whom the young woman claimed to be her husband, were taken into custody Wednesday by the Ontario police, the girl on a charge of begging and the youth on suspicion. The pair is said to have been missing from the Angel City for two weeks. They have been living by their wits since. The girl is the daughter of Mrs. Lula Grene, 705½ West Temple street, Los Angeles, while the man's address is given as 1471 East Vernon avenue, Los Angeles. They were turned over to the juvenile authorities of Los Angeles.

HEAT MAKES RIDING IN CARS OF MOTOR TRANSIT CO. VERY COMFORTABLE

Another up-to-date comfort feature has been added to the equipment of the motor stages, according to early winter passengers on the G. & W. Stage Company cars. This is the provision for heat.

Although this feature has been tried out before, it is just recently that all the stages have been equipped with heaters. The heat created in the power plants of the cars is now utilized in a manner declared to be especially efficient, a modern apparatus for conserving the warmth from the exhaust, raising the temperature of the air in the stage to such a degree that passengers in every seat are comfortable in even the most chilly of California weather.

In addition tight-fitting side curtains of special design, with each stage is equipped, serve the double purpose of protecting the passengers from outside cold and holding in the heat created by the heaters inside.

More than one local resident has had occasion to compliment the G. & W. Stage Company, through their agent here, for the increased efforts being made to add to the comfort of winter motor stage travel.

MASCULINE PIE

Pies hitherto have been neutral, if not neuter, but nowadays pies are taking sides. There is such a thing as masculine pies. People who have raisins to sell call them "energy dessert." A man's pie is one filled with raisins. It is served to "tired men at dinner" and "it sets them up." Soon, doubtless, we shall be reading of virile pies, regular savories of pastry. The triumph of hemanhood will of course be reached when cherry pie is trotted out and exploited by somebody as "the red-blooded pie for the red-blooded man." But getting back to raisins, hasn't anyone a good word for our old and long established friend, raisin cake? Can't it be boosted as "the cake with the kick?"—Leslie's Weekly.

His train was delayed for a time by washouts along the line and after the long trip "home, sweet home" looked pretty good to the weary traveler, even if he did receive a decidedly damp greeting on reaching the California land of sunshine. Rain at this time of the season brings joy to the heart of the rancher and citrus grower and Mr. Whitson finds California looking her best when wrapped in plenty of moisture of the crop-growing variety.

Reid, president of the Cucamonga Women's Club, has called a meeting for Thursday afternoon of next week, December 29th, promptly at 2:30 o'clock, to meet again at her home on Helman avenue and it is hoped there will be a good attendance with the Christmas festivities well out of the way. The program of the afternoon will consist of the usual interesting round of Current Events, following which, members will again have the pleasure of a little hunt in foreign lands, for Mrs. Maria Moeller has agreed to give a little account of her travels during her five months' trip abroad last summer and fall, all of which promises to provide a pleasing entertainment for the afternoon.

Mrs. W. W. After the program the Auditorium floor was cleared and dancing was enjoyed by many until a late hour.

PRE-NUPITAL CHRISTMAS PARTY

FOR MISS KUSMAN

One of the most delightful of holiday affairs was the pre-nuptial party given on Saturday afternoon last, Mrs. Charles W. McFinger and Mrs. Geo. Keyes entertaining at the home of the former on Turner Ave., some forty guests in honor of Miss Emma Kusman, popular bride-elect, whose marriage to Mr. Harold Anderson, of Redlands, will occur on Tuesday evening, December 27th, at "The Sycamores". From every window of the picturesque Molsinger home, gay Christmas wreaths gave forth a cheery greeting, while the spacious living room with its decorations of brilliant poinsettias, ferns and baskets of wild-plum foliage, tinsel bedecked, surely emphasized the spirit of the Yuletide season. Banking one end of the room was a great Christmas tree, the contents of which all glittered with pretty red and green lights and many silvery festoons of chivalry icicles from the Land of Snows. Miss Kusman, with her koterie of young friends, was seated in a charming flock of orchid tufts, and was the happy recipient of a number of beautiful gifts from the big tree, while fifty little favors in the way of Christmas cones filled with confections were distributed to each guest. Unique guessing contests helped pass the hours right merrily, until the serving of dainty refreshments of ice cream and cake by the hostesses and their bevy of assistants, Misses Helen Keyes, Charlotte Smith, Audrey Hawkes, Marian Belden, Hilda and Freda Brand.

The Nazarene Church Xmas program will be held Sunday morning at 11:00 a. m.

The Methodist Episcopal Church program takes place Friday evening at 7:30 p. m. The Mexican Nazarene Mission will hold joint Xmas entertainment at the Ontario Church with the Ontario of the Mexican Mission on Saturday evening, at 7:00 p. m. Rev. Geo. M. Minor and all members here will attend in a body and motor over in autos.

PARENTS' GUARD

YOUR CHILDREN

Rabbi Edgar F. Magnin

I am for guarding the younger generation, especially the adolescents, a bit more closely. In an age where in young boys who have never earned a penny in their lives escort young girls home from dances at any hour of the night or morning in taxi-cabs, there is something wrong. I am for young girls dressing simply and modestly, avoiding rouge and lip sticks, dancing like ladies and not allowing familiarity that borders on the vulgar and the risqué. I am for chaperones limited times and hours for amusements, clean dancing. And these conditions will be brought about, not by any one child's parents, but by concerted action on the part of several of the parents.

We have reacted from Puritanism and Victorian prudences to the other extreme. It is due time that the pendulum swings back a bit. It will, it must, if civilization is to endure and the State is to rest upon secure foundations. Let us heed the handwriting on the wall ere it is too late.

Get an auto or be gotten by one.

When we get a new year let's take better care of it than we did of our old one.

Maybe the two parties starting for the North Pole are hunting a place to practice on saxophones.

GUESTS AT THE HARGROVE HOME FOR CHRISTMAS—

Mr. and Mrs. F. Hargrove will be hosts at a delightful Christmas dinner with all seasonable dishes at their home on Eighth avenue next Sunday, their guests being Mr. and Mrs. Jess Durham of Selma and their son Norman Hargrove and his friend Neal Zimmerman of Los Angeles. Both young men are with the California bank of Los Angeles and will spend Monday here, too, as it is a bank holiday.

CHRISTMAS DINNER AT THE W. B. STEWART HOME—

Mr. and Mrs. W. B. Stewart will entertain at Christmas dinner at their home on First avenue on Monday, December 26th, when the following people will be their guests: Mr. and Mrs. W. Cook, Miss Nellie Cook, Messrs. Harold and Leslie Cook, Mrs. J. P. B. Cook, Mr. and Mrs. Milton Stewart, Mr. and Mrs. G. W. Hardwick, Mr. and Mrs. Ernest Fuller of Ontario, Mr. and Mrs. Harold Stewart of Long Beach, Ivan Soper of San Bernardino.

REV. O. V. RICE PERFORMS WEDDING CEREMONY—

Rev. O. V. Rice performed two marriage ceremonies recently of rather unusual interest. On Dec. 17 at the home of the bride's mother in Los Angeles, Miss Margaret West was married to Mr. Charles Moss. On Dec. 20, Mrs. West was married to Charles Gardner of Santa Ana at the residence of Mr. and Mrs. Rice on 20th and Euclid.

The little romance runs like this. Last summer Mrs. West and her daughter Margaret, a kindergarten teacher in Los Angeles, took a steamer trip to British Columbia to visit a friend. While there Miss West met Mr. Moss and before the visit was over they became engaged. For a long time before, Mr. Gardner, who had been known the West's when Rev. Dr. West was living, had been trying to persuade Mrs. West to become Mrs. Gardner, but she had always objected that she couldn't leave Margaret.

While they were still in British Columbia, he sent Mrs. West an urgent renewal of his suit. Her only objection being about to be removed, there was nothing to do but say yes, and now the mother and daughter are most happily married, and both the gentlemen have reason to be congratulated. Mrs. West was an old college mate of Mr. and Mrs. Rice and they attended her wedding when as a young girl she married Dr. West, another schoolmate.

The daughter's wedding in the city was quite a large affair, but the older couple were more quietly married, only a few close friends being present at the ceremony.

CELEBRATES BIRTHDAY ANNIVERSARY—

In honor of her husband's 76th birthday anniversary, Mrs. Albert Watenpaugh entertained a few intimate friends last night at their home on East Ninth street.

A delicious oyster supper was served and a birthday cake prettily decorated graced the table. Flowers added to the beauty of the Christmas decorations, and following the supper music was enjoyed by the assembled guests.

Those invited to this very pleasant affair were Mr. and Mrs. Charles Rudy, Mr. and Mrs. Owen, Mr. and Mrs. R. C. Williams, Mrs. Rolland Watenpaugh of Ontario, Mrs. Dunning of Chicago, Mr. and Mrs. Huntington and son Harold of China.

MR. AND MRS. GUIFFORD MEREDITH ENTERTAIN CHRISTMAS GUESTS—

Mr. and Mrs. Guifford Meredith are entertaining over the Christmas holidays, Mrs. Meredith's parents, Mr. and Mrs. Gordon Cowan of San Francisco, and her brother and sister-in-law, Mr. and Mrs. Victor Furb and children. The party motored down from the northern city, and had their chief difficulty when they had almost reached their journey's end. The bridge over the wash near Azusa was impossible to cross by car, so the motorists had to walk over it, and were met on the other side by Mr. Meredith, who brought them safely to Upland.

READING CIRCLE ENTERTAINED—

On the afternoon of the 21st of December the Euclid Avenue Reading Circle was entertained by Mrs. E. A. Marshall and Mrs. T. R. Woodbridge at the home of Mr. and Mrs. Woodbridge. In keeping with the Christmas season the rooms were decorated with a Christmas tree and the many varieties of evergreens so generously furnished by California. The program consisted of the reading of a Christmas story by Mrs. E. C. Harwood, a duet by Mrs. Robert Gray and Mrs. Leonard Smith, a solo by Mrs. Smith, and a whistling solo by Mr. Joseph Teuscher, Mrs. Marshall accompanying on the piano. After the regular program was finished a surprise was given the guests through the arrival of the husbands of many of the members, invited under a pledge of secrecy. The program was then closed by everybody joining in the singing of four Christmas carols, and the serving of refreshments. Mrs. E. W. Paul presided at the coffee urn, and the hostesses were assisted in serving by the Misses Mary and Phyllis Marshall, Caroline Brownson and Margaret Paul.

HISTORY OF MADONNAS TOLD AT CLUB MEETING—

Beautiful poinsettias graced the club centre last Tuesday afternoon, when the Upland Woman's Club met for their regular session. In charge of the arrangements were Mesdames Eckerman, Tanner, and Getty, who

also provided home-made candy and delicious popcorn, giving a Christmas-like air to the club room when the lights were turned on.

As is characteristic of the Upland club women, many braved the elements coming from a distance to hear a classical address of the Rev. R. C. Stone on the history of the Madonnas. In imagination the hearers passed through many of the old masterpieces of Europe and viewed families of master pieces of celebrated painters of past ages, among them being The Sistine Madonna, by Raphael, held beyond all price, now in Dresden, Germany; The Annunciation and the productions of Correggio, Del Sarto, Bernini, Holbein, and other painters.

Mrs. Lansing Vedder, who was to be at this meeting and talk on Rome, the Vatican, and other points of the Roman city, was prevented by the weather from coming from Hollywood, but will make a visit to Upland sometime in the near future, and give her address before the Woman's Club.

EASTERN GUESTS ARRIVE FOR CHRISTMAS VISIT—

Mr. and Mrs. Harlow S. Wilson have as their guests, Mrs. Wilson's parents, Mr. and Mrs. Frank Perhamus of Caledonia, N. Y., who arrived last night from their eastern home. They were accompanied by Mrs. Wilson's brother and sister-in-law, Mr. and Mrs. Charles Perhamus and their two children. Mr. and Mrs. Perhamus Sr. have spent several winters in California and have many friends in Upland who are cordially glad to welcome them.

OTTO HIRSCHLER IN CHRISTMAS PROGRAM

Mr. O. T. Hirschler, who has recently accepted the position of choir master and organist at the First Congregational church of Pomona, has prepared a most interesting vespers service which will be given at that church on Christmas Sunday afternoon, December 25th at 4 o'clock. The service will consist of Christmas carols, anthems for both solo, quartet and chorus, solos, duets, violin and organ numbers.

The program is divided into different sections, namely "The Prophecy," "The Advent," "The Shepherds," "The Wise Men," "Bethlehem," "The Christ Child," and "The Adoration." Under each of these groups there will be scriptural passages and numbers by the choir suitable to the text.

The choir at the Pilgrim church is a vested one of twenty-five voices and an excellent solo-quartet. Mr. Hirschler will play a Christmas tone poem for organ and the Hallelujah Chorus from the Messiah. The public is cordially invited to this attractive service.

Mr. and Mrs. Frank Watenpaugh, Rolland Watenpaugh and sister Miss Watenpaugh left yesterday morning for Santa Cruz where they will be the Christmas guests of their brother and sister-in-law, Mr. and Mrs. Marion Watenpaugh, who were former residents of Upland.

"Men after my own heart," says sister, as she looks at her presents.

Dame Rumor has it that Henry Ford was going to cut the price on his universal car in January, but Lyell & Puckett, local Ford representatives, have just received the following message from Henry: "Recent articles and rumors state that

there is to be a price drop January 1st. As there is no foundation for such rumor and as we are not contemplating any price change we have no hesitancy in making denial of report." So be it, and all you who were planning on purchasing a Ford might as well do it now.

THERE has always been a feeling among Women that they were treading in what you might call "No Women's Land" when they ventured to step into a Men's Store. We want to dispel this thought regarding this Men's Store because it is just as much a Women's Store, even though it is devoted exclusively to carrying nothing but Men's Wear. We want to particularly emphasize the fact that the women folks are just as welcome as the men and will always be treated with the same courtesy extended to their men folks. Especially at this time when you are thinking of what to give him, where could you better satisfy these thoughts than at a store which carries everything he needs.

CHURCH NOTES

MENNONITE NOTES

Christmas Sunday, December 25th, our Sunday school, instead of the regular session, will have a testimony and praise service and every class will announce its share in bringing Christmas joy into the hearts and homes of those who are in need. The world is full of these days, and they have a right to cheer and happiness as well as we.

The pastor will take for his sermon text and theme, Isaiah 9:6, "His name shall be called Wonderful, Counsellor, the Mighty God, the Everlasting Father, the Prince of Peace." We shall try to make this a regular Christmas service.

In the evening the Sunday school will have a Christmas program centering, not around Santa Claus, but around the Christ Child in the manger at Bethlehem.

Wednesday, December 28, the congregation will have the annual business meeting. New officers, etc., will be elected and arrangements made for another prosperous year.

CHRISTMAS SERVICES AT
BETHANY UNION CHURCH

The people of San Antonio Heights and vicinity are cordially invited to attend the Christmas service to be held at the Union church here at 7 o'clock, Sunday evening, December 25th. A Christmas pageant, "No Room in the Inn," will be presented by the young people. Mrs. Dean, whose readings have been so much enjoyed at previous church gatherings, will present a Christmas story as one of the leading features of the program. An offering will be taken for relief work in the Near East, and all are urged in the midst of their Christmas festivities, to thus remember the unfortunate ones who may perish unless we extend the helping hand.

ST. MARK'S EPISCOPAL CHURCH

Euclid Avenue and F Street
Christmas Day—Holy Communion at 7:30 a. m. Second celebration and sermon at 11 o'clock. Sunday school, 9:30.

This being Christmas Day it is expected that all communicants will attend one of the services if at all able. Everyone welcome and all seats free. May the peace and joy of the season visit every house, and be with the absent ones everywhere.

PRESBYTERIAN CHURCH

At the Presbyterian Church on Sabbath morning the pastor will preach a Christmas sermon concerning the City of Bethlehem.

Special music by the choir. The evening service will be the Sunday School Christmas service. The young people's choir will assist in this program.

The gift of the school to Foreign Missions will be made at this time. All wishing to join in this offering may do so by contributing through any of the Sunday School classes. The treasurers will bring these offerings forward near the close of the service to place them in the hands of the "Spirit of Christmas."

The Junior C. E. meets at 2:30 in the afternoon. The Union C. E. Society and the Intermediates meet in the evening at 6:30. The regular meeting of the Sunday School will be at 9:45 a. m. Bible Study Wednesday evening at 7:30. Lesson Gen. 6.

METHODIST CHURCH

Sunday is Christmas. The first time in 11 years, since 1910. Let us give Christ and his worship place. Morning worship at 11:00 o'clock. A Christmas sermon by the pastor.

Sunday School at 9:45. Let all try to make this a record attendance. The Epworth League meets at 6:30 p. m. Topic, "Following the Star." Miss Mary Nafius is leader.

The Intermediate League will be led by Miss Dorothy Holliday. The topic is, "Foundations of the Temple." The 7:30 service Sunday evening will be one of special interest. A pageant will be given by the High School girls of the Sunday School, entitled "Carrying the Christ to Every Child."

Come to the prayer meeting Wednesday evening. This is the last one of the year. The hour is 7:15 p. m. January 1, will be Communion and Reception Day. Every man, woman and child of the community should join a church in his community.

Study Classes will be opened in different subjects the second week in January, and carried on once a week. Classes will include Bible, Teaching methods, Missions, etc. More full announcement later.

The young people will hold a Watch Night Service in Crowell Hall, Saturday evening, December 31st.

The Week of Prayer will be observed on Tuesday, Wednesday, Thursday, and Friday evenings, January 3, 4, 5, and 6.

Old time Christmas dinner at 12 noon and 6 p. m. Azu-lyk-it. 6411

ETIWANDA

The young people of the Intermediate Christian Endeavor Society held a social Saturday evening at the church basement. Mrs. C. W. Greenlee chaperoned the party and Misses Bessie Troyer and Ethel Blye acted as entertainment committee for the evening. The turnout was not so large as usual but a particularly jolly time was had by those who did go. After playing a number of interesting games, refreshments of cake, sandwiches and cocoa were passed. There were present Mrs. C. W. Greenlee, Misses Bessie Troyer, Ethel Blye, Ruth and Dorothy Brownless, Frances and Dorothy Spence, Gertrude Greenlee, Alice Bacon, Dorothy Smith; Messrs. Alfred Phillips, Gerald Cour, Donald and Elmer Mueller, Walter Price, Frank Cour and Curtis Smith.

On Thursday evening a get-together supper was attended by Mrs. L. H. Tilden, Mrs. Lillian Cour and son Gerald, Miss Crawford of Pomona, Rev. and Mrs. C. W. Greenlee and family, Mrs. Hannah M. Greenlee, Mrs. Mamie Cour and family, Mr. and Mrs. John Scott and family, Mr. Harry and Miss Helen Burianak. Later in the evening the following joined those assembled and held the annual business meeting for the church: Mr. E. T. Myers, Mr. and Mrs. Ernest Mueller, Mrs. George Utman, Mr. Thomas Donnelly, Rev. and Mrs. Wm. Troyer, Mrs. Fred Koch, Mr. and Mrs. A. C. Smith.

Reports from the various departments of the church showed a growth in every line of work which had been undertaken. The Sunday school has had a very successful year under the leadership of Mrs. John Scott. President Frank Cour of the Intermediate Endeavorers reported an average attendance of twenty-five. Both other societies are doing excellent work. Mrs. Fred Koch gave a financial report from the Aid Society which showed an active year for 1921.

Under election of officers each one was re-elected to the position held during the past year. On motion made by Rev. Wm. Troyer, Mrs. C. W. Greenlee was given the title of assistant pastor. Mrs. Greenlee has given most loyal service in the years past in every department of church activity and the motion by Rev. Troyer was given a rising unanimous vote although many felt that the move failed to express sufficiently the appreciation of Mrs. Greenlee's work. The officers for 1922 are: Rev. C. W. Greenlee, pastor; Mrs. Norma B. Greenlee, assistant pastor; Messrs. Ernest Mueller and Thomas Donnelly, deacons; Messrs. John Scott, Thomas Donnelly and A. C. Smith, trustees; Mr. E. T. Myers, clerk; Rev. Wm. Troyer, treasurer; Mrs. Thomas Donnelly, organist; Miss Bessie Troyer, assistant organist; Mrs. John Scott, superintendent of the Sunday School.

On next Sunday afternoon at 5 the Sunday school will give a program at the "White Gifts for King" Christmas celebration. The Christian Endeavor societies, whose regular hour of meeting is 6 o'clock, will meet immediately following this program.

A subscription list headed by the name of George Frost is at the L. L. Hammersley store for contributions to the community tree which will be held Saturday evening at Cypress Hall. Mrs. W. B. Hutton heads the committee for entertainment that evening, the Parent-Teacher Association having the program in charge. There will be something for every child in the colony down to the latest arrival when Santa Claus visits Cypress Hall Saturday evening.

The weather the past week reminded us of the time when Noah got worried and built the Ark, thus getting his name into the Encyclopedia Britannica. Up to noon Wednesday 10.48 inches of water had fallen during the storm which began Saturday evening.

Mr. and Mrs. Morgan Carter and Mr. Harold Ross drove out from Los Angeles Saturday and remained for a few days visiting Mr. and Mrs. C. N. Ross.

Mrs. George Frost and Miss Marjorie and Mrs. D. R. Foss shopped in Los Angeles Tuesday.

Mr. and Mrs. J. C. Jones have a Ford coupe.

Curtis Smith went to Upland Monday evening to attend a party given by a Sunday school class of the Presbyterian Sunday school. He motored over and waded back, at least part way back, for he struck high water and had to get out and lead the machine.

The baseball game Wednesday afternoon of last week between the Alta Loma Grammar School and the boys of the local Grammar School team was won by the Etiwanda boys, the score being 18 to 14. It was a very interesting game to watch.

Mr. John Frost umpired for the boys. News of the death of Miss Hortense Dodds last week at her home in Downs, Ill., was received by Mrs. Thomas Donnelly. Miss Dodds summered here a few years ago and many knew her personally and grew very fond of her before the summer ended. Everyone remembers her as she sang in public several times while here and all regret the early passing out of such a fine young woman.

She had been ill about two months and her death was not unexpected.

Mr. and Mrs. William McKee of Alta Loma spent Sunday with Mr. and Mrs. J. D. Orendorff, Mrs. McKee's parents.

Mr. Billy Hippard went to Los Angeles the first of the week and because of the storm went out to Alhambra and made a visit at the home of Mrs. Leland.

A large number of Etiwanda people attended the "Messiah" at Chaffey Friday evening and all enjoyed it very much.

Lester Burbank had his tonsils removed Friday afternoon after the close of school.

Christmas Greetings to You

THE YEAR 1921 has been unprecedented in the history of the City of Upland. In the past year, as never before, has the city taken a forward step as is evidenced by the increase in mercantile business, as well the erecting of many new buildings and new homes.

Upland's success is attributed to the loyalty of the people of the city to Upland's institutions, foremost among which are the business and mercantile houses of the city, and we who conduct these institutions would be short-sighted, indeed, if we failed to express our appreciation of your co-operation.

Being unable to meet all personally—to clasp each one of you by the hand and to wish you the SEASON'S GREETINGS, we take this means of saying

MERRY CHRISTMAS TO YOU,

One and all. And may the Holiday Season find you overwhelmingly bestowed with the good things of life. This is our Christmas Greeting to you and our heartiest wishes for a bright and prosperous New Year go with it.

YOUR OWN HOME—

When you build your own home, you build into it your own individuality. Your home then is more than a place to live. There is much satisfaction in building a home the way you want it.

With present prices you'll be surprised how much less it will cost you to build than it did some time ago. Come in and we'll estimate it together.
